

(COURT OF APPEALS, DIVISION I)
OF THE STATE OF WASHINGTON
No. (844504)

(	Manning	)	MOTION FOR EXTENSION OF FILING DEADLINES
(	vs	)	
(	Bennett	)	

1. IDENTITY OF MOVING PARTY

Zackariah J. Bennett,
appellant

2. STATEMENT OF RELIEF SOUGHT

Extension of filing deadlines.

3. SUPPORTING STATEMENT

I, Zackariah J. Bennett, do come before the court to request an extension of time for the filing appellant's brief.

My health has made my progress on the (RAP 10.3(a) compliant) brief slower than the deadlines allow. I was hoping the Motion for Order of Indigency would have been revisited after they received the 06/09/23 mandate to do so, as access to a paralegal would have made things far more expedient.

I am making slow yet steady progress on the courts request for a proper brief.

An extension would maintain status quo, as the DVPO has already expired (08/05/2023). I am appealing for justice & honor, as well as to have the records reflect the truth.

Respectfully submitted,
Zackariah J. Bennett,
Appellant
