Re: Case No. 87007-6
Zackariah Bennett v. Melvina Manning

Dear Clerk's Office,

I am writing to respectfully request clarification regarding the April 28, 2025 notation ruling that set the respondent's briefing deadline for May 29, 2025, despite the appellant's opening brief having been filed and served on January 21, 2025.

As I understand it, RAP 10.2(a)(1) requires a respondent's brief to be filed within 30 days after service of the appellant's brief. I am unaware of any motion filed by the respondent requesting an extension, nor have I been served with one. If such a motion exists, I would appreciate being informed of the date it was filed and the court's reasoning for granting the extension.

If this deadline was instead extended sua sponte by the Court or by commissioner ruling, I respectfully request the legal authority or justification for the deviation from the standard 30-day timeline.

Thank you for your attention to this matter.

Sincerely,
Zackariah Bennett
