

Superior Court of Washington, County of King

Zackariah Bennett
Petitioner DOB

v.

Melvina Manning
Respondent DOB

No.23-2-11352-7

Declaration of
Zackariah Bennett (Name)
(DCLR)

I declare,

~~I received and read the response of Mrs. Manning. Once again, Mrs. Manning has made a statement under penalty of perjury that is riddled with lies, and is nothing more than an attempted character assassination. Unlike Mrs. Manning, my claims are valid, and each are backed by solid facts that will be provided through the discovery process, and decided upon by the jury. This statement of Mrs. Manning, on it's own, provides enough evidence to impeach her testimony. Mrs. Manning has been lying to the court, in every proceeding, and relying on the information being taken at her word without verification. I fully intend to rectify this continuing injustice by providing the facts of the matters now before the court.~~
