ORDER/JUDGMENT BEING APPEALED:

The specific orders/judgments being appealed are the [Order/Judgment] entered on 07/02/2024 & 07/03/2024, which granted Defendant's Motion for Summary Judgment, and denied Plaintiff's Motion to Strike false statements from record, as well as Plaintiff's Motion to Sanction Ms. Gass both for providing them to the court and for not removing them from record after becoming aware the statements were false and/or so misleading as to be construed as false.

2. Misrepresentations made by Defendant's counsel affecting the decision-making process.
3. Newly discovered evidence impacting the understanding of crucial facts.
4. Failure to consider evidence refuting the credibility\authenticity of material statements upon which the court's decision was based..

8. Failure to address complaints made against opposing counsel concerning dishonesty and various ethical violations.
9. Misconduct and fraud upon the court by Nancy Gass/Carnation Law, counsel for the Defendant.
